CASE NO: GJ 04100295

CC 2005 084

### PETITION FOR WRIT OF HABEAS CORPUS

Comes now Petitioner PAUL DALE WOLFE pro-se pursuant to the appropriate Rule and authority such as Alabama Code Title 15-21-1 et,al, herein files and respectfully submits his petition for Writ of Habeas Corpus in regards to his present incarceration in Ventress Correctional Facility and will show cause why he should be granted Habeas Corpus relief herein.

Petitioner is presently confined in Ventress Corr, Fac, here in Clayton county, Alabama as a direct result of a probation violation report and finding as further more will show that he was illegally denied the substantial aspects of the equal protion of the due process of law in his probation hearing held on July 16th of 2004 and will show the following.

### STATEMENT OF THE CASE

(1)Potitioner was convicted of Armed robbery 1st cts;2 on the 20th day of November 2004 and was placed on 20 split 3 susspended probation. Onor around June/July a burglary of a car lot in Alabama was committed. Based solely on the word of a known criminal defendant who was a suspect in said crime, who for favers, made a statement to the police, falsely claiming that petitioner PAUL WOLFE done the burglary. Based solely on that felony offenders word petitioner was arrested and charged with that crime.

Based solely on said information hearsay from a known criminal suspect, petitioner Wolfe eas charged with that burglary and his probation was revoked and petitioner was sentenced to 20 years in prisone.

#### ALLEGATIONS AND CLAIMS

(1) Petitioner alleges and claims that he is innocent of that charges crime and that he was falsely accused therof by the unsubstantiated word of a known criminal defendant with a history of priors and who in reality the party who committed that burglary and that his ststement to the police that petitioner Wolfe committed that offencse was not only a big lie and a pergued statement designed to put the blaim on an innocent party (petitioner Wolfe) in order to take the bloff him. There was no other evidence to connect or tie petitioner Wolfe to that crime, only an unsubstantiated word of a criminal defendant himself with a history of criminal activities.

In Forma Pauperus GRANTED

Petitioner alleges and claims that the States prosecuting Attorney claimed falsely that the State had evidence of a pair of wirer cutters tied Petitioner into the crime, a pair of wirer cutters obtained from Petitioners tool box. Yet no evidence that said wirer cutters were the ones that cut the fence surrounding the place of business burglaized.

Petitioner alleges and claimes that the State used unsubstandtiated and false allegations against him in order to have his probation revoked and the State illegally suppressed favorable evidence of petitioners innocence, when they obtained back scientific evidence that the wirer cutters at issue were not the ones used in said burglary.

Petitioner alleges and claims that as a direct result of the States failure to reveal the results of the scientific test results of the wirer cutters at issue, Petitioner was denied a proper, honest probation revocation hearing that resulted in his freedom on probation being illegally taken away from him, for which he now seeks just relief for.

#### CONCLUSION

Wherefore premises considered Petitioner Wolfe respectfully moves this Honorable Court for Habeas Corpus relief and an order for the State to prove patitioner wrong. That patitioner seeks to return of his probation status and such Declaratory Judgment that will be appropriate
